[Historic Jack House Hosts Trains in the Garden](#)

We invite you to enjoy an operating display of garden trains in the beautifully landscaped gardens surrounding the historic Jack House in San Luis Obispo. The Jack House is a unique piece of California's elegant and colorful past which will transport visitors back to the Victorian era. The Jack family holds history with some of the most prominent players in the drama of Central California development. This special event is our first collaboration with the Jack House docents and will provide guests with a preview of some of the garden railways to be featured in October during the [2024 Central Coast Railroad Festival](#).

[The S & P Californian Hosts Inaugural Train Run](#)

Paul and Shuri Patterson invite their guests to enjoy scenic railroad and other landmarks from across the golden state during their first train run at the new [S & P Californian](#). The Patterson's have been preparing the garden landscape with highlights such as a 1/5-scale version of Walt Disney's Carolwood Pacific Barn, the Pacific Crest Trail, Daniel Smith Station and the quaint town of Munich which sets the Bavarian theme of this "Oktoberfest" event. Guests are invited to bring battery-powered rolling stock to operate on this new line.

[Nine Garden Railroads Featured in CRRF Model Railroad Tour](#)

CCCGRS is proud to support the [2024 Central Coast Railroad Festival](#) with **nine garden railroads** featured as part of this year's model railroad tour. This impressive three-day tour (04—06 Oct) includes **two brand new garden railroads**: The [S & P Californian](#) and Arroyo Grande Valley railroads. Additionally, two local favorites: the [Monarch & Sand Railroad](#) and [Mountain View Railroad](#) return to the tour following a recent hiatus. The [Central Coast Railroad Festival](#) is a broad-based event which focuses on railroading of many types with an eye towards the beauty of the central coast of California. This self-guided event is designed to attract the attention of avid and casual rail fans as well as curious folks from across the Western United States. As always, there is no costs for guests to enjoy these garden railroads.

[CCCGRS Membership](#)

Your annual dues continue to promote the garden railroad hobby in our community. Members have access to this monthly "web portal" bulletin (use the links), shared newsletters from a network of garden railroad groups across the United States and our membership roster. Prospective and continuing members will find application/renewal details at www.cccgrs.org/contact. Thank you for your friendship and generous support.
